Hi SAAG members,

Thank you for your flexibility at last week's SAAG meeting. We have set up this very short survey to gather feedback on the Chambers format and help us plan for future meetings: <https://www.surveymonkey.com/r/7G65TWH>. Please complete it by **September 6**.

Also, we have posted a questionnaire on the website at www.diridonsj.org/questionnaire to gather feedback on the upcoming public engagement process and hear about preferences for how people want to be involved, in order to help inform the community engagement strategy. The questionnaire will be open until September 25. **Please pass this link on to your communities.**

Thanks!
Lori
