Hi David and Shannon,

A couple things: I'd like to introduce you to Anton Walker, who's just joining the approvals team on the Lendlease side, and who's copied on this email. You'll probably be hearing from Anton from time to time, in combination with Bhavesh, Amanda, and me. We're really excited to have him on the team!

The other item is an AB 900 notice issue that we discussed with Robert today (and David I just left you a voicemail about this too). Long story short, we think it would be good to do a second notice, now that legislative concurrence on the AB 900 application has been received (and 10 days from the concurrence date of 1/27 would be 2/6). Our counsel suggests that it could be the same notice as before (with updated dates and a signature). We can do the physical posting on our site, and then to keep things simple, you'd just want to make sure that in addition, people and organizations that have requested notice on this project also get the notice. Below could be the cover email that goes with the second piece.

Let us know if you have any thoughts or would like to discuss?

Thanks,

Andy

PUBLIC NOTICE
Environmental Leadership Development Project (ELDP)
Application Certification

File Nos.: **GP19-009, PDC19-039, and PD19-029**

Project Title: **Downtown West Mixed-Use Project**

APN/Location: See Description at www.sanjoseca.gov/GoogleProject

Project Sponsor: Google LLC

On December 30, 2019, Governor Newsom certified the Downtown West Mixed-Use Plan (Google Project) as an Environmental Leadership Development Project. A public notice of this certification was issued by the City of San José on January 8, 2020, by electronic mail and a posting in The Mercury News.

Pursuant to Pub. Res. Code § 21184(b)(2), on January 27, 2020, the Joint Legislative Budget Committee of the California Legislature concurred with Governor Newsom's certification. The attached notice serves to inform the public of the Joint Legislative Budget Committee's concurrence. This public notice was also posted on February 1, 2020 in and around the Google Project site.
