Subject: Notes from Google's Parks and Open Space 8/19 Meeting

Hi Nicolle,

I hope you had a great vacation! Here's quick summary of 8/19's Google Meeting:

- Google will submit a Term Sheet to the City in a week or two.
- The three largest unknowns are:
 - Will there be a conservancy?
 - Can they dedicate the Social Heart?
 - What is the final dedicated land?
- Google wants more information on the flyover trail connection
 - They were concerned that the flyover included in the DSAP amendments could give the impression that Google is involved in the project/will pay for it.
 - We'll answer more questions about the flyover on September 2nd meeting when you return
 - They also asked if the Google Sponsor could review the fly-over before it's published.
- Google suggested having a joint meeting with DOT to go over DOT's LTA
