Ruth,
I understand. I have been under the gun with Google review timelines.

I can respond tomorrow. I still need to look into the issue further.

Hi Dana,

I have been asked to follow up again on this. I really do think that this is a clerical error that is easily cleared up. If we can help in any way, just let me know. Thanks a lot, and take good care!

Ruth

Ruth and Steven,
Hope you've been well.
Do you mind reaching out again on this issue?
We are assembling our EIR documents and this is an outstanding item, so we'd like to close it out as soon as we can.

Thank you,

Hi Joy,

Will need an assist from your team. Dana has not responded to any of our project teams emails.

Ruth spoke to Dana on July 22nd, and Steve sent a follow up email with project info to Dana (see attached). I've emailed Dana a couple of times for status updates, and have not heard back.

This is going into our EIR, so we want to make sure this is cleared or needs to be addressed by our team.

Here is the city records showing the permit has been "issued", and all 05/01 reviews have been closed. I will continue to follow up with the city. Thanks.
