Hi Ramses and Doug,

Hope you are well. FYI - please see attached a letter we just received this morning from DANG. Please correct me if I am wrong but the projected completion of the DTP at 2021 shouldn't delay any project in the Diridon area correct? They would still have to go through environmental clearance which generally looks at traffic impacts.

Thanks,

**Subject:** DANG letter for T&E Committee meeting

Good morning Councilmember Peralez,

Was not sure if you saw the letter from the Diridon Area Neighborhood Group for today's T&E Committee meeting.

Thank you for taking the time to read this letter.

Regards,

Bob
