If it is too early, that's fine.

We have the Google project and a couple of other items on the October HLC agenda, so it will be a full night regardless.

Open to either. We won't have a DSAP draft out by October 4, but it would be an opportunity for HLC to provide early input. We could give an overview of DSAP amendments in October along with DTW and could go back to HLC with more detail before adoption hearings if needed.

I'm not sure if the DSAP historic survey work will be far enough along to get into specifics on impacts, newly identified properties etc in October, and I know there is a lot of interest in the DSAP environmental document.

Hello – want to confirm our plan for the Oct. 4<sup>th</sup> HLC. I know that the Downtown West project is on the agenda; want to confirm that we also want HLC to provide comments on the DSAP amendment at that time.

Thanks.
