Hi Kim,

I'm slated to meet with Google this Thursday 8/15. If you're free that same day at 10, 10:30, 11, or 3p, I'm happy to meet with you and/or Nanci.

Of course, other days work too.

Let me know.

**Subject:** Meeting with Google

Councilmember,

I wanted to give you a heads up that you will be receiving a request from Google for a meeting regarding their mixed-use plan sometime in the next few weeks. I wanted you to know that either

Nanci and/or I will be attending the meeting with Google.

In addition, I wanted to offer to meet with you individually--either before or after you meet with Google—to provide some context and answer any questions you have.

I also want you to know that we will be releasing an Info Memo to provide some updates to you and the public regarding planning and civic engagement in the Diridon Station Area, including the Google development.

Best regards,

Kim
