Hi Kayla,

We may have to publish a notice in the mercury news over the holidays and we will coordinate directly with Mercury News on this. Is there a charge code we could give to them for charging? This is one of the situation where we would pay first and bill for reimbursement later.

Best regards,  
Thai

Hi Thai,

The Clerk's office will be closed during furlough and will not be accepting publication items. However, you may contact Publications directly for your Mercury items and they should be able to assist you.
