Hi Shannon,

The publisher has the following question:

What date do I enter on the bottom of the notice near Rosalynn Hughey's name? Or do I remove it? I can't proceed with publication until you answer my question please!!

Please let me know and I will relay the message.

Thank you!

Sarina

Hi Sarina,

I made a change to APN/Location line to provide additional information about the project's location (see attached). Sorry for the last minute change! Hopefully it's not too late to update the public notice.

Thanks!
