Shannon,

Thank you very much for the follow up. I appreciate it. I will check the listings. All the best.

Regards,
Steve

Good morning Steve,

The proposed project is currently undergoing the environmental review process in compliance with the California Environmental Quality Act (CEQA) and has not been approved. The environmental review process and proposed project approval is expected in Fall 2020. So, the soonest any jobs would be available would be 2021, and the City will not be filling those jobs. The contractors constructing the project would hire for their open positions, so keep an eye out for job postings next year.

Thank you,

Shannon Hill, Planner

Planning, Building & Code Enforcement | Environmental Review Section

Shannon,

Thanks for your quick response. What I am looking for are the open positions.

Regards,
Steve

Good morning Steve,

Could you please provide clarification of what you mean by “open opportunities,” so I can better answer your question?

[External Email]

Shannon,

I read in the San Jose Mercury News on the public notice for ELDP. I want to learn more. Is there a link for open opportunities for this project? Thank you in advance.
