Good morning, Bhavesht,

We have the Dec 5th city-held community meeting date as part of the presentation. Lori also did provide the two dates consistent with the DSA attachment and this will also be in the presentation.

- Diridon Station Area Community Meetings:
 - Monday, November 18, 6:00 PM, at the Leininger Community Center
 - Saturday, December 7, 10:00 AM at the Gardner Community Center.
- Visit www.diridonsj.org for more info.

During our meeting last week, I know your team wanted to highlight a Dec 7th meeting date as an applicant held meeting on the project. After reviewing what Lori sent, I think we are referring to the same one. However, I want to reconfirm with your team to not miss any additional meetings you would like us to include in the presentation.

Could you verify with your engagement team and confirm the following prior to the Thursday afternoon for us to finalize the presentation:

1. Dec 7th DSA date here is the same as the one we spoke about last week?
2. No other meeting dates to be announced as Future Engagement Opportunities at the EIR Scoping Meeting this Thursday, November 7th?

Best regards,
Thai

Hi Shannon,

With respect to the meetings we talked about last Thursday with Thai and Lori, they were specific to Downtown West. There is an applicant community meeting on 12/5 and then another meeting on 12/7.

I believe Lori also wanted to provide note of the other DSAP wide meetings too, but you should double check with her. Thanks.

Hi Shannon,

I am not familiar with the 11/18 meeting, so let us check with the engagement team and get back to you. Thanks!

Hi Bhavesh and Amanda,

In follow up to your discussion with Thai last week, could you please confirm that the DSAP meetings on the attached flyer are the only meetings that should be included in the scoping meeting presentation, and you were not referring to additional meetings specifically for Downtown West?

Thank you,

Shannon Hill, Planner

DIRIDON STATION AREA COMMUNITY MEETINGS

You are invited to be a part of the planning efforts to create an extraordinary Diridon Station Area.

Join in this opportunity to learn about and provide feedback on the city planning efforts shown on this map:

What to expect:

City staff will discuss the planning process and present initial concepts under consideration. You'll get to talk with the project team, ask questions, and share your input on the topics you care about, such as transportation, housing, and public space.

Your input will build upon previous public feedback. We'll be continuing community engagement through Fall 2020.

We look forward to speaking with you!
