Subject: Transportation Comment from Scoping Meeting

Hi there,

In putting together a summary of scoping meeting comments for our Division Manager for discussion in DSAP Amendment community outreach meetings, I realized I neglected to forward the attached comment to you. This comment was received a couple days after the scoping meeting via email and was saved in a different folder.

Thanks!
Shannon

Hello,

Will Google use its own shuttles to transport its employees, or will VTA expand its bus service to provide for the transportation needs of Google employees and all residents in the area? We are in dire need of improved and expanded bus service, but it won't happen if Google only takes care of its own and relieves the VTA of its responsibility to provide fast and reliable transportation options.

Thank you,

Marcia Cohen Zakai
