Thanks Shannon. If you can add them it will be great. I wasn't expecting to make new comments – just hoping the correct changes were made.

Thanks Manjit. Yes, the appendices were not submitted until after the Screencheck. I thought you were working on reviewing changes associated with parking, but I may have misunderstood. I just checked, and the LTA submitted subsequent to the Screencheck is dated August 2020. Did you not received a draft from Fehr & Peers for review?

I can add the TA and LTA appendices to the OneDrive folder if necessary, just let me know.

Thanks again,

Hi Shannon,

We did not receive a revised LTA or TA; I don't think we will at this point and it will just be in the final. The link you sent over was just the ADEIR but not appendices.

Thanks,
Manjit

Hi Manjit,

Could you please provide an update on the status of the City's comments on the revised LTA?

Thanks!
