Hi Florin,

You're correct. They will be mentioned in DSAP (as of know that's the plan), and would also be reflected in the Muni code (the timing on this is less clear- it will at the latest be as part of the citywide parking update slated now for late 2021).

Let me know if this addresses your question.

DSAP parking team,

A quick question from PW:

Hi Florin,

Is there a document/agreement in place for minimum parking requirement within the SAP area. I know its a continued working topic for the Google project, but is there an document somewhere that enforces the parking minimums?

Besides Muni code, I believe the existing DSAP plan talking about parking minimums, right?
