Fehr & Peers can also be available 2-3pm tomorrow, if we want a full hour for the meeting.

Thanks, Jim!

My recollection is that we set this for 2:30. Do we think we can keep that and just meet from 2:30-3?

I'm also available to move the meeting up to as early as 1:30pm tomorrow.

Thank you! Jess

I think we agreed to have a follow up call at 3pm, Tuesday, January 5th. I now realize I have a conflict from 3-4:30 on Tuesday. Can we meet between 1-3 or at 4:30?

How about sometime between 1:30 and 4:30 today? It turns out Paul is unavailable tomorrow.

Thanks, done!

I will let you know if I hear a preference for this afternoon vs tomorrow. I am going hiking with the kids this morning but will be back home by 2pm at the latest.

Thanks! Jess

I suggest you loop Franciscan in so she knows we're in agreement on this approach. I'll coordinate with Paul. It's fine with my if you invite Marla. Up to you.

Sure! I'm happy to make an hour tomorrow or Wednesday— afternoons are preferred as by that time the kids are ready for some relaxation time. :)

Otherwise, my schedule is wide open — just send an invite that seems to work for you guys and Franzisca!

Do you think we should include Marla?

Best,
Jess

If possible and you agree, I'd like to schedule a small meeting to discuss scope and process for the ingress study. Discuss alternatives, pros and cons. We may not resolve everything but hopefully we can get closer and better understand each other. I'm thinking Paul, Franziska, you and me. Anyone else? I know you're trying to take this week off. I don't recall about next week. Paul and I are available tomorrow and Wednesday and next Monday – Wednesday.
