Thank you, Fredrick.

Hi Kimberly!

Hope you are doing well. A bit more context, when we met with Lucas earlier in the week we thought it was a good idea to do a bit of a deeper dive on the design guidelines and standards for the Downtown West project since Lucas had some additional questions.

With Councilmember Jimenez, we will provide the same briefing we're providing to all Councilmembers which includes the design guidelines standards as well as other important topics.

Please let us know if you have any questions.

Thanks,

Hi Kimberly,

Thank you for your patience.

We've decided to separate out the meetings for tomorrow to give a well rounded overview to both Mr. Lucas Ramirez and Councilmember Jimenez. We will be doing the deep dive discussion with Mr. Lucas Ramirez from 11:30-1p, and then Councilmember Jimenez will be meeting with Alexa Arena and Javier Gonzalez on the Google side, from 12-12:50p.

Please let me know if you have any questions.

Again, thank you. We appreciate your time.

Good morning Kimberly,

We understand, and thank you so much for this update. We absolutely appreciate your assistance. If there is anything that we can do on our end, please let us know.

We look forward to hopefully having Councilmember Jimenez join us tomorrow at 11:30a.

Thanks again,

Hi Fredrick,

I understand that Councilmember Jimenez didn't make the Monday meeting as he had planned, and Lucas Ramirez ended up meeting in his place. Additionally, because more time was needed, the meeting was rescheduled for tomorrow at 11:30 AM – this is just a note to let you know that although the councilmember has a personal appointment at that time, he expects to attend if he is at all able to, and the meeting entry is firmly on his calendar. Thanks.

Good afternoon Councilmember Jimenez,

Hope you are doing well.

We would like to request a time to meet to check-in and brief you about the Google Downtown West project in advance of the Monday, November 16th City Council Study Session related to the Diridon Station Area Plan / Google Downtown West Mixed-use Development.

I am looping in my colleague Fredrick Lee who is helping with scheduling on our end. Looking forward to meeting with you.

Happy to connect any time.
