Hi James,

I believe the "referenced documents" mentioned was the Subsequent Review Term Sheet, and the comment highlighted that the focused LTA needed to be added to the term sheet:

10. **Subsequent Review Term Sheet:** Revise/add the following:
 - a) Page 5: Add a new section to include Horizontal Improvement Conformance Review or revise term sheet to clearly show the 35% submittal as the Horizontal Improvement Conformance Review.
 - i) Add stormwater checklist and matrix requirements.
 - ii) Horizontal improvement conformance should align with Focused LTA recommendations.
 - b) Page 22 Section IV: Add Focused LTA to the referenced documents.

Manjit or Vivan, let me know if I am mistaken.

Thanks!

Florin Lapustea, P.E.

[External Email]

Hi James,

We received a comment on our PW letter 10b stating: Page 22 Section IV: Add Focused LTA to the referenced documents.

Can you get confirmation from DOT where this comment applies to and its intent.

Best,
Amanda
