Hi Andy,

To confirm what David said, unfortunately we have not received a response to our meeting request from the Gerry Haas at the Habitat Agency. I provided him with blocks of time David and I were available earlier this week after our meeting.

I will follow up with him on Monday if we don't here back.

Have a good weekend!

Thanks,  
Shannon

Hi Andy,

We are still waiting to hear back from the Habitat Agency on which dates work best. Once we do, we will coordinate with you.

Have a good weekend!

[External Email]

Hi Shannon,

Happy Friday. As we've discussed we'd like to review project characteristics with the Habitat Agency. For purposes of ensuring we have clarity for the EIR as well, we'd like to see if we can get on the calendar as soon as reasonably achievable next week. If you're able to get 2 to 3 options with Habitat Agency staff, we will work to make it work on our end.

Much appreciated!

Andy
