[External Email]

Hello,
Has there been any action on getting a vote on the Google proposal from the Senate? Google saying nothing, but investing like crazy in Mountain View.
I think there should be more ongoing progress reporting made available to the public.

Also, what is the status of the Reach 5b/c Los Gatos Trail project that goes under the Caltrain tracks (and West San Carlos St.) to South Montgomery.

Thank you,
Bob Ihly
