Hi Andy,

Gerry has held time from 2:00 – 3:30 PM. Is your team available from 3:00 – 3:30 PM, so I can send the meeting invite?

Please let me know whom on your team to include on the invite.

Thanks,

Hi Andy,

Gerry indicated on Monday that he is free after noon tomorrow. Based on David's schedule, I have held time on our calendars from 2:00 – 3:30 PM. We are waiting for Gerry to respond with a 0.5 hour timeslot between 2:00 – 3:30 PM that would work for him. David will only be available for 0.5 hour, as he has other meetings during that time.

I wanted to let you know before we receive confirmation from Gerry to send the meeting invite, so you can coordinate with your team appropriately.

Thanks!

Hi Andy,

To confirm what David said, unfortunately we have not received a response to our meeting request from the Gerry Haas at the Habitat Agency. I provided him with blocks of time David and I were available earlier this week after our meeting.

I will follow up with him on Monday if we don't hear back.

Have a good weekend!

Thanks,
Shannon

Hi Andy,

We are still waiting to hear back from the Habitat Agency on which dates work best. Once we do, we will coordinate with you.

Have a good weekend!

Hi Shannon,

Happy Friday. As we've discussed we'd like to review project characteristics with the Habitat Agency. For purposes of ensuring we have clarity for the EIR as well, we'd like to see if we can get on the calendar as soon as reasonably achievable next week. If you're able to get 2 to 3 options with Habitat Agency staff, we will work to make it work on our end.

Much appreciated!

Andy
