Got the invite. Wow, that's a big project! I'll try to scratch out some time to look through the DEIR, but I have a couple of meetings ahead of this tomorrow.

Cheers,

Gerry

Hi Gerry,

You should have received an invite a few minutes ago to meet from 3:00 – 3:30 PM tomorrow. I provided some additional information to provide context for the discussion in the meeting invite. However, please let me now if you have questions before we meet tomorrow.

Thanks!

Hi Gerry,

I have held time from 2 – 3:30 PM tomorrow on mine and David’s calendars. However, we are only planning to schedule a 0.5 hour meeting.

Could you please reserve that timeslot, if it’s still available, while I coordinate with the applicant? Then, I can follow up with a meeting invite.

Also, I do not have specific questions at this time. However, the topic of discussion will be allowable modifications to existing buildings that are currently within the 35-foot riparian setback.

Thanks!

Hi Shannon,

I have availability on Wednesday any time after noon. Can you give me list of questions or concerns ahead of time? Site plan? I just like to know what to prepare for.

Thanks,

Gerry Haas

Importance: High

Hi Gerry,

I'm just following up on my email below. I have not checked if our availability has changed for this week. However, we would like to schedule a meeting with you as soon as possible, in order to incorporate your feedback on our questions and still meeting the project schedule for the DEIR and associated approvals, as project design changes may be necessary.

Could you please respond with your availability for this week?

Thanks in advance!

Subject: Availability to Meet?

Hi Gerry,

Do you have availability to meet next week regarding the Google Project? The meeting would be with the City (David and I) and the applicant.

If possible, please provide your preferred meeting times, and I will coordinate and set up the meeting accordingly. To give you an idea, David and I are currently available to meet during the following timeslots, and we probably only need a 30 minute timeslot, but we can set up the meeting for an hour, just in case:

- Monday (2/1): After 2:30 PM
- Tuesday (2/2): Between 9 and 11 AM or after 3:30 PM
- Wednesday (2/3): 11 AM to 12 PM; 1:30 to 3:00 PM; 3:30 to 5:00 PM
- Thursday (2/4) 9 to 10 AM

Thanks!
