Hi Rina,

The title of the document you included is correct. However, to be consistent with the project title used on the websites, I would use "Environmental Impact Report (EIR) for the Downtown West Mixed-Use Plan (Google Project)."

It was decided to use "Google Project" as part of the title because most people associate the project with the applicant and not the plan. I also added a hyphen between "mixed" and "use."

Thanks,

Hi Shannon:

Can you please confirm or add to the following verbiage for the Hearing Notice due today?

California Environmental Quality Act (CEQA): Environmental Impact Report (EIR)
For the Downtown West Mixed Use Plan

Thanks,
Rina
