Hello Rachelle,

At this stage in the project, I'm not sure the applicant has that information. We are currently in the environmental review phase. The tentative schedule for Planning Commission and City Council consideration of the proposed project is Spring 2021.

However, I have included the project manager (James Han) on this email, in case is aware of a contact that could provide the requested information.

For additional information, the website for the project is located at the following link:

Hi Shannon,

May we please have the contact of the person in charge of the retail leases for the Google downtown campus?

Thanks,
Rachelle Cagampan
