Mr. Connolly,

On December 16, 2020, the Downtown West Mixed-Use Project for the General Plan Amendment and Rezoning was taken to the Airport Land Use Commission for consideration. Please, find attached a cover letter and draft resolution to be considered by the San José City Council to override the commission determination of inconsistency. Additionally, a mail copy of the letter has been sent to your respective offices.

If you have additional comments or questions, please contact me or my Supervising Planner John Tu, our contact information is enclosed in the cover letter.
