Subject: [Meeting Request] Check-in & Briefing on Google Downtown West Development Agreement & Community Benefits

[External Email]

Hi Councilmember Esparza,

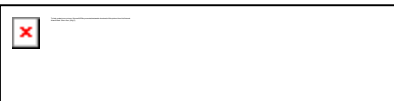

I hope this message finds you well.

We would like to schedule a time to meet with you the week of March 8th to check-in and brief you about the Google Downtown West Development Agreement and Community Benefits Package. We're hoping to connect in advance of the next Station Area Advisory Group (SAAG) meeting which is scheduled for Monday, March 15th. If the week of March 8th doesn't work for you, we'll work around your schedule.

I'm looping in my colleague Fredrick Lee who's helping with scheduling on our end. Looking forward to meeting with you.

Best regards,
Javier
