Hello Bob,

Would you be available to discuss this project sometime next week? If so, please provide me with a few timeslots that might work for you and anyone on your end who you would like to join us. I'll coordinate schedules on my end and send out a Zoom invitation for a 60 minute meeting.

Regards,

Kevin O'Connor

Thanks, for the introduction, Huiman.

Kevin, this looks exciting. I will review and look forward to a discussion.

I am out most of the day, but we can connect next week.

**Subject:** [EXTERNAL] Microgrid support on San Jose downtown west project

Good Evening Bob,

I would like to introduce you to Kevin O'Connor. Kevin is from City of San Jose Community Energy Department. Community Energy Department has a task for a microgrid consultant to help out on City's downtown west project. Attached is the detailed information regarding this project's background, status and the scope/expectation from consultant. Kevin will reach out to you in the next day or two to set up a meeting to talk about this task. If you have any thoughts and ideas regarding this task, please feel free to share with Kevin.
