Hi Adriana,

Hope this message reaches you well. I appreciate all your help in scheduling time to meet with the Councilmember to chat about the Google Downtown West development agreement and community benefits.

After consulting with City staff, we are going to combine our Downtown West [1] development agreement and community benefits and [2] district systems check-ins into one meeting. As a result, we'd like to cancel our **Thursday, 3/11, 12:30-1:00p**, development agreement and community benefits meeting, and optimize our time together during the already scheduled district systems meeting for next week.

In the meantime, if you have any questions, please do not hesitate to contact Kim Walesh or Javier González.

We apologize for any inconvenience.

Thank you,

Best,
