Hi Rachelle,

Apologies for the delayed response, City staff forwarded your inquiry to us. Thanks for your interest in Downtown West! Providing opportunities for a wide cross section of the San José and local community, including small and local businesses, is an important objective of Google's Downtown West project. We're currently working on approval of the project, which City Council will consider in Spring 2021. It's still early in our process for retail leases, but we encourage you to [sign-up](#) to receive project updates or check our website for [updates](#). Please let us know if you have any other questions.

Thank you,
Downtown West Team

Hello Rachelle,

At this stage in the project, I'm not sure the applicant has that information. We are currently in the environmental review phase. The tentative schedule for Planning Commission and City Council consideration of the proposed project is Spring 2021.

However, I have included the project manager (James Han) on this email, in case is aware of a contact that could provide the requested information.

For additional information, the website for the project is located at the following link: www.sanjoseca.gov/googleproject

Hi Shannon,

May we please have the contact of the person in charge of the retail leases for the Google downtown campus?

Thanks,
Rachelle Cagampan
