- 5. <u>Purpose of Declaration; Open Space and Public Access</u>. The purpose of the Declaration shall be for access to and use by the public of the Covenant Privately-Owned Publicly Accessible Open Space, subject to the hours of operation and scope of permitted park use set forth in <u>Exhibit F2</u> to the Development Agreement, which Exhibit is attached hereto as <u>Attachment A</u>, and subject to the terms of this Declaration.

[SUBJECT TO NEGOTIATION OF DA PROVISION ON THIS POINT] Declarant acknowledges and agrees that, except as required for maintenance and repair, or to protect the public health and safety, as determined by Developer in its reasonable judgment, the provisions set forth in Exhibit F2 may not be changed or modified with respect to the Covenant Privately-Owned Publicly Accessible Open Space if such change or modification would be more restrictive, or would restrict or eliminate a permissible use, without prior approval by the Director of PRNS; provided, however, that a permanent decrease in the hours of operation for the Covenant Privately-Owned Publicly Accessible Open Space by ten percent (10%) or more shall require a public hearing by the City Council and approval by a majority vote. Any such change or modification for which the required approval is not obtained shall be of no force or effect.

[SUBJECT TO NEGOTIATION OF DA PROVISION ON THIS POINT] The Covenant Privately-Owned Publicly Accessible Open Space shall be maintained and open for public use pursuant the terms of this Declaration until either: (i) the end of the useful life of the [insert name of the Building associated with the Covenant Privately-Owned Publicly Accessible Open Space and that triggered its Completion], as set forth in Section 4.1.3 of the Development Agreement, or (ii) the City Council approves or authorizes an alternate use of the specific Covenant Privately-Owned Publicly Accessible Open Space, which approval or authorization shall require a minimum two-thirds affirmative vote of the City Council.

- 6. <u>Maintenance and Repairs</u>. Declarant shall, at its sole cost and expense, keep the Covenant Privately-Owned Publicly Accessible Open Space and all improvements thereon in good condition and repair at all times for public use, consistent with the standards set forth in the Project Approvals and the Development Agreement.

Notwithstanding the foregoing, no breach of or default under this Declaration shall defeat, render invalid, diminish or impair any such Encumbrance or the rights of the beneficiary thereunder (each, a "Lender"), but all of the terms and conditions contained in this Declaration shall be binding upon and effective against and shall run to the benefit of any such Lender or other party who acquires title to or possession of the Covenant Privately-Owned Publicly Accessible Open Space.

In the case of any Default Notice given by the City to Declarant, the Lender shall have the applicable cure period provided to Declarant for remedying the default described in that Default Notice or causing it to be remedied and, if prior to the expiration of the applicable cure period, a Lender gives City written notice that it intends to undertake the curing of such default or to cause the same to be cured, and then proceeds with all due diligence to do so, Lender shall have, in each case, an additional period of thirty (30) days (or, except for a default relating to the payment of money, such longer period as reasonably necessary as long as Lender commences cure within such thirty (30) day period and diligently proceeds to completion) after the later to occur of (i) the expiration of the applicable cure period, or (ii) the date that the City has served such Default Notice upon Lender, and the City shall accept such performance by or at the instance of the Lender as if the same had been made by Declarant. Notwithstanding anything to the contrary herein, in no event shall the additional cure period provided to the Lender exceed six (6) months beyond the cure period applicable to Declarant.

11. <u>City's Remedies</u>. If City determines that Declarant is in violation of the terms of this Declaration, City shall give written notice to Declarant of such violation ("Default Notice"). If Declarant fails to cure the violation within fifteen (15) days after said Default Notice is given,

or said cure reasonably requires more than fifteen (15) days to complete and Declarant fails to begin to cure within the fifteen (15) day period or fails to continue diligently to complete the cure, then City may bring an action at law or in equity in a court of competent jurisdiction to enforce compliance by Declarant with the terms of this Declaration, to recover any damages to which City may be entitled for violation by City of the terms of this Declaration, or may cure the violation in which event Declarant shall reimburse City for the costs incurred by City in connection with the violation and cure within thirty (30) days after written demand with evidence of such costs.

12. <u>No Waiver</u>. No waiver by City of any violation under this Declaration shall be effective or binding unless and to the extent expressly made in writing by City, and no such waiver may be implied from any failure by City to take action with respect to such violation. No express written waiver of any violation shall constitute a waiver of any subsequent violation in the performance of the same or any other provision of this Declaration.
