I've been keeping all my Thursday afternoons open for potential City meetings – so those dates/times are fine with me.

Subject: Upcoming meetings (scheduling / confirmation)

Hi Jim and Lucy,

We are trying to solidify some upcoming times with you to discuss the follow up items we reviewed last week.

Clearly, this afternoon, the meeting will be for the Mayor and Jonathan Becher and will stay high level.

Looking at next week (3/25), we realized that many of us on the City side will have a City Council Study Session that conflicts with our normal meeting time.

With that in mind, would we be able to confirm these two dates/times, topics, and attendees?

- 4/1 (3-4) – Focus on Ingress Analysis results (both F&Ps and Krupka); City, Sharks and Google
- 4/8 (3-4) – Focus on Construction Management Plan; City and Sharks; Google invited

Jim: my DOT team is NOT involved in the City Council Study Session next week; perhaps we could use 3/25 around 3pm to get your early insights into the Downtown Transportation Plan?

Best,
Jess
