Importance: High

Hi – I put my edits in the doc – only had a few.
For slide 18, in the legend it reads “4,000 housing units (studying up to 5,900 units), including...”
I think “including...” should be deleted – or was someone editing this slide?
Slide 29: Thomas is adding info.
Slide 61: did we review the prompts with Google?

Thanks!
