[External Email]

Hi James,

I live on Columbia Ave, off of Bird and San Carlos. I noticed in the recent public hearing notice that the map has my street within the Downtown West Mixed-Use Plan (Google Project) Area Plan. This is the first I've heard that the plans include my street. Can you help clarify what is planned for Columbia street, or is it just reflecting the business on the San Carlos street side? When I went to the google meeting, they reference the adjacent areas to be part of their plans to build housing near my area.

Insight is appreciated.  
Have yourself a nice day!

Thanks,  
Jennifer Campbell
