[External Email]

Hi

As you may be aware, the streets on the opposite side of Diridon, between Alameda and Park are permit parking only.

The streets just south of park (Cleaves court) are not permit parking and already fill up daily.

As this street is just 1 block outside the proposed Diridon expansion, can we get the last southern part of Cleaves and Morrison permitted as well as part of the overall plan?

Thank you

**Brandon Heiman**
