Hi Kristin,

I just verified that the link to the EIR webpage is functional. All EIR-related documents, including the First Amendment to the DEIR are included under the heading "Project Documents" at the following link: <https://www.sanjoseca.gov/your-government/department-directory/planning-building-code-enforcement/planning-division/environmental-planning/environmental-review/active-eirs/downtown-west-mixed-use-plan>.

In addition, here is the link directly to the First Amendment at the page linked above:
<https://www.sanjoseca.gov/home/showpublisheddocument/71249/637541721568730000>.

And, here is the link directly to Attachment 1 (Comment Letters) at the page linked above:
<https://www.sanjoseca.gov/home/showpublisheddocument/71251/637541721669830000>.

The documents take a while to open because of the large file sizes. However, let me know if you are still unable to access the documents, and we can work out a way to get them to you through a shared drive.

The Draft EIR and 1st Amendment will not be considered together as the Final EIR until City Council certifies the document (tentative City Council date is May 25th), as noted in the notice email below.

The Planning Commission hearing is this Wednesday, April 28th. The public review period for Draft EIR was circulated for a 62-day comment period from October 7, 2020 to December 8, 2020.

Please note that you are a contact on our standard contact list for environmental documents and have been included on all notices send regarding the environmental process for the proposed project.

Best,

Hello Shannon,

I clicked on the link below, but I am still not clear on the CEQA nexus. Was the EIR finalized? I do not see a NOD within CEQANet. Are you saying there is an amendment prior to finalization of the DEIR? If so, will there be a public comment period in which there is opportunity for CDFW to write a comment letter? Or is it that the EIR was finalized and then there will be a addendum, subsequent, or supplemental EIR in relation to the amendment?

Thank you for clarifying.

Sincerely,

Kristin Garrison
