Hi Vivian and team,

Cleaves Ct and Morrison Ave are included as streets that will be studied by the DTW project for potential parking intrusion/parking monitoring as a means to assess the need for inclusion/extension into the residential parking permit program. See below for a clip of the streets to be studied in the future per the project's Neighborhood Traffic and Parking Intrusion Monitoring Plans

(<https://www.sanjoseca.gov/home/showpublisheddocument/71639>)

Thanks!

-Florin

This would be a DOT question. Copying Florin.

Florin- can you please respond regarding permit parking?

Thanks!

Vivian

[External Email]

Hi

As you may be aware, the streets on the opposite side of Diridon, between Alameda and Park are permit parking only.

The streets just south of park (Cleaves court) are not permit parking and already fill up daily.

As this street is just 1 block outside the proposed Diridon expansion, can we get the last southern part of Cleaves and Morrison permitted as well as part of the overall plan?

Thank you

Brandon Heiman
