One more tidbit on this Final EIR ... any testimony received during the PC and CC hearings will be responded to verbally or in written format and will be included as part of the Final EIR Record.

Hi Matt –

I noticed you wrote in your [article](#):

Date uncertain, but before May 25: The planning department will publish a final environmental impact report on Google's proposal.

The final EIR actually posted on Friday, April 16. At the Google Project EIR webpage, the Final EIR is called the "First Amendment" :

<https://www.sanjoseca.gov/your-government/department-directory/planning-building-code-enforcement/planning-division/environmental-planning/environmental-review/active-eirs/downtown-west-mixed-use-plan>

The First Amendment, together with the Draft EIR, constitute the Final EIR for the Downtown West Mixed-Use Plan.

CEQA has its own lingo!
