You are correct. The Final EIR entails the Draft EIR, 1st Amendment to the Draft EIR, and Responses to Comments received during the public review period. It has already been posted (published) on the City's website.

Testimony received during the PC and CC hearing will be responded to verbally or in written format and be included as part of the Final EIR Record.

I'm sending this to Matt Niksa ... please confirm that I'm right:

Hi Matt –

Re date of publishing the final EIR, please correct what you wrote in your [article](#):

Date uncertain, but before May 25: The planning department will

publish a final environmental impact report on Google's proposal.

The final EIR posted on Friday, April 16. At the Google Project EIR webpage, the Final EIR is called the "First Amendment" :

<https://www.sanjoseca.gov/your-government/department-directory/planning-building-code-enforcement/planning-division/environmental-planning/environmental-review/active-eirs/downtown-west-mixed-use-plan>

The First Amendment, together with the Draft EIR, constitute the Final EIR for the Downtown West Mixed-Use Plan.

CEQA has its own lingo!
