Hey Kari,

I'm sorry for the delay in getting this over to you, I was waiting on Nicolle's review! Here is a link to a newsletter update about the Google project. Let me know if you have any questions or if it will require any changes.  [2021_0512 PRNS Newsletter Google Update.docx](#)

Thanks

Think ½ page with illustrations, and from our employee point of view. That's not cast in stone if you find you need more space. Next newsletter will be after the budget is released – so I'd need articles by around 5/14. Thanks for being out in front of it.
