Cherly,

I think you pasted the DSAP paragraph into the DTW page and vice versa on the other page.

Best,

Subject: Webpage updates for DSAP and GP + social media posts

Per discussion this morning, please see if these webpages now capture the intended messages and links:

- www.sanjoseca.gov/GoogeProject - Added info in a manner that is a little different than we discussed – see what you think. At bottom of page where we list meetings, the Council Meeting info is also updated.
- www.sanjoseca.gov/DSAP - At mid-page, info added on May 25 hearing.
- For the DSAP and Google Project EIR webpages, I think we should show that Council Hearing is May 25 but I want to run the changes by Shannon – I think these pages have specific structures.

RE SOCIAL MEDIA POSTS – we should do one today/tomorrow and then a reminder 1-2 days before.

Cheryl
