Shannon: If you do have room for the entire roster, I have **one** addition: Terah Donovan, of our biological resources staff, assisted in responding to the comments concerning the Santa Clara Valley Habitat Plan. (She used to work for the Habitat Agency.) With that addition, we will have listed all technical staff who spent 3 or more hours on the project! 😊

Thanks.

Hi Shannon,

Thanks for asking! If it's not too much, it would be great to include the list of preparers. (But if that's too long a list, we can pare it down too.)

Hillary

Hi there,

I have already added the three of you to the list of consultant acknowledgements. Should I also add the full list of preparers from the EIR? I can do that, or please provide a list so we don't leave anyone out .

Thanks!
