FYI

David will summarize the issues raised in the letter. Jessica's presentation will reiterate the parking and transportation issues that have already been addressed in the EIR and also the RTC and other public documents/communication.

Just FYI.....In a meeting now with Alexa, Rosalynn and Nanci, Bhavesh, Jessica and co. I let them know about the letter and also indicated that they raise the same issues that we have already responded to adequately.

We will let the PC know, and then summarize the issues verbally for the record. There are no new issues or concerns.

[External Email]

David: I can be available at 4:00. However, given that 95 percent of the SSE letter concerns transportation issues, I think it would be most useful if Franziska and DOT can also attend. (I am copying Franziska here.)

Thank you.

Hi Hillary and Karl,

I just sent over the latest letter from SSE responding to the First Amendment. We will forward any other letters that come in this afternoon. Do you want to review and meet sometime later this afternoon (say 4:00) to go over our responses? I can invite DOT staff if need be.

Thank you,
