Hi Adriana,

Happy Friday! Hope this message reaches you well.

I am reaching out on behalf of the Google Downtown West Project team to kindly request a meeting with Councilmember Maya Esparza. We're hoping to connect and check in with Councilmember Esparza next week in advance of the May 25th City Council meeting. Ideally, we'd like to connect with the Councilmember for 45 to 60 minutes.

I've cc'd Fredrick Lee to help with scheduling on our end.

Thank you in advance for your help.

Javier
