Hi Kerrie and Lori,

Matt Cano or I can deliver Slide 18 on behalf of PW, ESD, and CE consistent with how Vivian provided the voice over at Planning Commission.

Many thanks,  
J.

Hi Lori

I recommend PW lead this. Based on discussions over the last month, my understanding is that no support from ESD is funded or expected.

Hi Kerrie, Ryan, and J,

We are finalizing the speaker line-up for the DTW presentation on Tuesday and want to check in about slide 18 (District Systems/Infrastructure).

Vivian spoke to this slide for Planning Commission. Based on the flow of the CC presentation, we are recommending that Lori Mitchell covers the slide, since Electric Microgrid will be next.

**Would you prefer that someone from ESD or DPW take that slide?**

The **dry run** for speakers is currently scheduled for Monday at 8:00-9:00, and will hold the CED/CSA time to prepare as well.

Also, we are asking for talking points in the notes section of the powerpoint (link attached). **Please work with your teams to review and update as needed by Monday morning.**

Let us know if you have any questions.

Thanks!

Lori
