Hi Councilmember
Perez,

I
hope this message finds you well.

We
are hoping to schedule a time to connect with you the **morning of Monday, March 8th (ideally before 12 p.m.)**. We would like to check-in and provide a briefing about the Google Downtown West Development Agreement and Community Benefits. If March 8th doesn't work for you, we'll work around your schedule.

I'm
looping in my colleague Fredrick Lee who's helping with scheduling on our end. We are looking forward to meeting.

Best
regards,
Javier
