Hello SAAG members,

The **agenda for the April 14th meeting is now available** on the [SAAG page](#).

For the meeting, we have developed a format that we think will provide all SAAG members with a fair opportunity to provide their comments. Following staff's presentation on the Draft Development Agreement, each SAAG member will be given an opportunity to provide comments and ask questions in a round robin. We will request SAAG members to limit these initial remarks to two minutes. Additional discussion will follow once all members have had an opportunity to speak. We expect significant public comment at this meeting and are planning for a full three hours.

Please have one representative from your organization RSVP to me and Tara Reid, copied here, by Monday, April 12 at 10:00AM.

We are encouraging community members to attend the **Community Meeting on Saturday, April 17 at 10:00 AM** as the best way to share their comments on the staff-recommended Downtown West Development Agreement. People can also learn more and submit questions and comments here: www.diridonsj.org/downtownwestda. Also linked below are flyers to help us spread the word about these opportunities:

- [English](#)

- [Spanish](#)
- [Vietnamese](#)

Staff will compile the feedback from both meetings and share it with the Planning Commission and City Council for their consideration. We are planning for this to be the last full SAAG meeting before the hearings on the Downtown West Project, Amended DSAP, and Diridon Affordable Housing Implementation Plan. The Planning Commission hearing is scheduled for April 28th and the City Council hearing is tentatively scheduled for May 25th.

Please let us know if you have any questions.

Thanks,

Dave

Hi SAAG,

We are pleased to announce that we have posted the staff-recommended Draft Development Agreement for Google's Downtown West project [here](#).

This marks a key milestone for the project, following adoption of a Memorandum of Understanding (MOU) in 2018, application submittal in 2019, and release of the Draft Environmental Impact Report (DEIR) and Downtown West Design Standards and Guidelines (DWDSG) in 2020.

The Draft Development Agreement addresses the Council's top priorities and other topics important to the SAAG and community, as expressed in 2018 and reinforced through extensive community engagement since then. It includes \$200M in community benefits and more than \$1B in project features. If approved by City Council, it will govern how Google builds its Downtown West project, including office, residential, commercial, cultural, open space, and parkland uses, and will establish a new fund to address community stabilization and opportunity pathways.

The Draft Development Agreement will be the main topic of the next SAAG meeting on April 14, 2021 at 6pm and a Community Meeting on April 17, 2021 at 10am. There will be Spanish and Vietnamese interpretation available at both meetings. Community members may also submit questions and comments through an online form.

Staff will provide all comments received to the Planning Commission and City Council for consideration. The public hearing process is targeted for later this spring (tentatively April 28 and May 25 for Planning Commission and City Council respectively).

To prepare for the meeting, please review the Info Memo about the Draft Development Agreement available [here](#). We will also send the agenda, draft slideshow, and other meeting info later this week.

Please visit diridonsj.org/downtownwestda for more information and help us spread the word about this key milestone and engagement opportunity.

Thanks,

Dave
