Hi Jean,

Yes, happy to meet. What's your timeline — does it need to be before the end of the EIR comment period or is after ok? Copying Mary Anne to help us schedule it on Zoom.

Hi Dev,

I'm sure you've heard much from DANG about these plans, however, are you open to a parks-focused discussion?

There are some risks and complications related to HSR and DISC as well as some concerns about whether the new residents will be served properly.

There's strategy concerns for parkland in DSAP's D6 that are worth talking through.

Let me know.
