Hi Mary Anne,

My apologies in advance... I was just advised today that we need a full hour for this briefing. Your current time is 5/17 at 3-3:30, is there any way we can add a half hour to the beginning or ending of this meeting? Or is there another time available?

So sorry for the last-minute change!

Thanks,

Thanks! It's the study sessions that are consuming big chunks of her calendar

Good afternoon,

Nanci Klein, our consultants, and Alexa Arena from Google are looking to brief CM on the Downtown West topic going to Council on May 25. If you could send me some available dates that can work for next week, and/or the following week; I'd appreciate it!

Thank you so much in advance!
