Hi all,

FYI - last night, San Jose BPAC unanimously approved a letter to the Mayor and Council in support of Downtown West for today's City Council meeting. The letter is attached for reference and has been forwarded along to all of the offices and the City Clerk.

Eric,

Thanks for attending BPAC last night to answer questions about the project. Given somewhat heated discussion on separate items at recent BPAC meetings, I was anticipating concerns from committee members and the public about this item, but it was nice to see overwhelming support.

**Thanks,**

Ryan
