Dear Mayor and City Councilmembers,

On behalf of the Alameda Business Association, (ABA) a nonprofit organization promoting small businesses and vibrancy along The Alameda, we are writing to support the approval of the Downtown West Mixed-Use Plan.

As a member of the Station Area Advisory Group, the ABA has been participating in the process where Google, the City and community stakeholders worked together to develop a cohesive plan for the project. We believe Google has engaged the community thoroughly and will be a good neighbor. We want to thank city staff for their professionalism and diligence in bringing the project to this point.

Please approve Item 10.2, the Downtown West Mixed-Use Plan.

Sincerely,

Dan Mountsier
Alameda Business Association
