[External Email]

Good morning gentlemen, James and John:

First of all my name is Juan, and I just knew about the big project google is going to have. I am very interested in becoming part of the workers that will be building this project. I think it's an amazing job opportunity.

I would like to know if there is a link or a way to find out who will be leading this project in terms of contractors or companies so that way I'd contact them and submit my application to get a job.

I know it's still under planning but I'd like to start from now.

Looking forward to hearing from you
